

\$2 = \$SUCCESS\$

Hello my good friends,

We just finished our 1st Tape of the Month downline building program and have put hundreds into the program! Are we excited? You bet we are. Rather than leave our members hanging, we have decided to continue with an out of site downline builder! You're looking at it right now!. The best type of program is a program that has **no personal sign up requirements!** This way when we all join we get paid for everyone in our downline no matter who signed up who! **IT'S ABSOLUTELY PERFECT!!!** **That program is the Tape of the Month,** so jump on board now and help develop **your** own pre-built downline! Don't put it off, join now, as time is of the essence! Check out this great program at: **www.tomdanleyco.com** - I look forward to working with **you** in one of the easiest most perfect programs I've ever seen! Take a look at some of the pluses for this program that will help put money in **your** pocket!

1. Our product is a tape every month especially designed to help you grow in every area of your personal and business life!
2. You'll receive a commission for **each person** in your downline no matter how many you personally place there!
3. With only 5 people in your first level you are at break even!
4. The **only** Perpetual 5 X 6 Forced Matrix System that means earnings **are** literally unlimited!
5. ONLY A \$20 PROGRAM WITH A POTENTIAL PAYOUT OF **\$39,070.00 each month!!!**

*The key is to immediately send in your 2 dollars to me, (I'm taking care of the downlines, placement, marketing materials etc.), and as soon as you get your marketing materials, spread the word like crazy!!! **How many folks can you attract for just 2 lousy dollars?** I'll bet you can **EASILY** get a mess of 'em! (You may promote with just your name 'til you receive your ID #)*

Then when **October 31th** of 2003 comes, you simply follow the instruction packet that Chuck sends to you to become a distributor and with downlines in Place – **BINGO—We** begin to reap the rewards of our efforts! But remember, you **MUST** join in November, to get the benefit of the group effort.

And here is the beauty of this plan—you will get our spillover! **Can you even imagine the downline we can build together?**

The risk is small and the potential cash flow to **YOUR** & my mailbox is unbelievable!!! **PHASE ONE DOWNLINE BUILDER ENDS ON OCTOBER 31, 2003**

So get your 2-dollars in the mail & get excited!!!
