

# GLOBAL MEGA-PROFIT GENERATOR

Allow us to welcome you to a profitable program that is affectionately called *Global Mega-Profit Generator* (or GMPG for short). If you want to spread your advertising message worldwide and at the same time receive cash by mail delivered by a smiling postman, GMPG is just what the doctor ordered. For a relatively modest investment of only \$60/€60 and a bit of effort, you can practically pave your road to prosperity. So without further ado, let us tell you what you need to do.

## THIS IS WHAT YOU DO:

1. Send \$20 (or €20), \$15 (or €15) and \$10 (or €10) in cash to the three members at Levels 1, 2 and 3 respectively, with a note mentioning that the payment is towards GMPG.
2. Send \$15 (or €15) in cash along with this flyer and your ad of up to 50 words to the monitor: Oswald Rodrigues, 390 Sam Francisco, Santo Estevam, Goa-403 106, India. As bank charges on cheques/drafts are high, cash is the best form of payment.

## THIS IS WHAT YOU GET:

As soon as we receive your order as well as confirmation from the three members that they have received their respective payments from you, we will send you a membership package consisting of: (a) A camera-ready master copy of this flyer personalised with your name & address and ID code printed at Level 1 and your ad printed at #1, (b) 25 copies of the same flyer for mailing, (c) "The Mail Order Success Guide" on a floppy disk, featuring the best, informative how-to manuals, (d) Personalised camera-ready ads for promotion, and (e) Pre-printed post-cards bearing your name and ID code. These postcards are to be filled in, signed and mailed to the monitor whenever you receive cash payments so as to enable us to issue membership packages to the new participants. We will also publish your ad in four consecutive issues of our bimonthly adsheet *Mailbiz Master* and send you checking copies.

## YOUR BENEFITS:

When you receive your master copies, you must make as many copies as you can and distribute/mail them or you may avail of print & mail services of a reliable dealer. The more you mail, the more you stand to gain. As all three levels are pay levels and you receive cash payments direct, this program will move fast and you will be earning a nice residual income pretty soon depending on your promotional efforts. And if you are fortunate enough to get a few "heavy hitters" in your downline, your income could skyrocket without any further effort on your part.

You can perpetuate your income by continuously mailing copies of your flyer with your name & address at Level 1. As soon as you receive a cash payment, you must mail one of the postcards (after entering the name & address of the payment sender) to the monitor so that we may issue membership packages to the new participants and help the program run smoothly. Alternatively, you may e-mail the monitor notifying us about the payments you receive.

Further, you will receive inquiries/orders in response to your ad as it moves from #1 to #3 as your downline grows. Think of the tremendous coverage your ad will receive. How's that for a double benefit? So what are you waiting for? Sign up for GMPG and get ready to earn some good profits by way of cash through mail.
